

4th International Conference on Research in Access and Developmental Education

Fee Refund Policy

Requests for refunds of conference registration fees, less a \$60.00 processing fee, must be communicated in writing to the conference registrar at least 10 days prior to the start conference. Payments for preconference institutes or ticketed food events cannot be refunded because the NCDE must procure these activities and services well in advance of the conference.

Requests for refunds of conference registration fees made after September 14, 2008 will not be honored unless they are sought due to an unforeseen emergency. These requests will be reviewed and processed within approximately 30 days after the conference.

If a weather event forces cancellation of the conference by the conference venue, full refunds will be issued in as timely a manner as possible.
